## HOBBIES AND INTERESTS

### Interests

- Strong social commitment: I have the passion for dedicating myself and my time to others, trying to leave the world a little better than I found it. In order to contribute, I volunteered with associations such as Caritas, Mato Grosso and Italian Red Cross.

- Travel and foreign countries visited: I was able to live and touch different cultures and ways of living, getting in tune with them, without, however, completely upsetting my origins, establishing, instead, an ethnic-cultural syncretism. This gave me the opportunity to expand my knowledge regarding different heritages.

I play sports: I hike frequently, outdoor and indoor, I'm a person with a strong commitment, I like to challenge myself but I'm also a team player, in fact I play volleyball in the local team.
